

Dear Parents and Carers

Hello everyone. It's been 2 weeks since my last newsletter – apologies for that, but as I am sure you can imagine it has been very busy here.

As we reach the end of another fantastic year, I want to take a moment to reflect and celebrate all that our amazing pupils have achieved and to thank you for your continued support. It has been a great year – full of learning, laughter and growth!

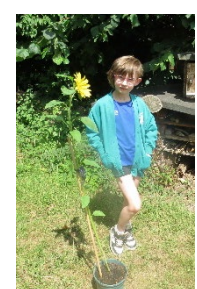

I am sure you all have your own personal highlights – whether it was Maypole shenanigans, sports day or our inclusive No Outsiders lessons. Maybe you could share yours with your children. My personal highlight was introducing No Outsiders – a scheme I am deeply passionate about and one, I am sure, will benefit everyone growing up in modern day Britain.

I cannot write a whole lot more without remembering our Year 6 student – Finlay – he has been phenomenal and will be sorely missed by pupils and staff members alike. I have never seen so many adults and children reduced to tears during his leaving assembly. His personality, manner and love for life has truly infected us all. Thank you and good luck for the future!

I would like to thank staff for their diligence and commitment this year. Lots has changed and they have all adapted to new roles and tasks brilliantly. I am proud to lead them. The future holds much excitement with our burgeoning partnership with Great Wilbraham to look forward to. Exciting times. Our 2 new teachers: Mrs Patterson and Mr Cresswell had an amazing move up day and the children had a great time in their classes. Mrs Leadbeter will be missed, but she will be back and you will see her around.

Finally a plea...please keep your children's minds active over the summer break. Visit the library and join the reading challenge (they always have one) or explore nature with a family walk or a garden project. Try maths games, learn to play chess or write creatively – you have so, so many options. When I was small...a long time ago...the BBC showed a children's program called Why Don't You. Its full name was 'Why Don't You Switch off Your Television and Go and Do Something More Interesting Instead'. It was full of incredible ideas (I believe Ant – from Ant and Dec – started out in this programme!)

I will leave the rest to Mrs Brewin – she has been incredible on our social media lately with daily posts and she will have a few photos from the last 2 weeks to share. Please enjoy them.

Wrap Around

From September we have had to increase the price of our wrap around **service**.

Larks £5.50 and £5 for a sibling

Owls until 5pm £6.50 and £5.50 for a sibling

Owls until 6pm £10.50 and £9.00 for a sibling

In October, the exciting news is that Prestige (who currently teach some of our PE sessions) will be taking over the running of the wrap around service. Hattie and Collette will remain in post, and they will have access to a wider range of equipment and activities, so provision will definitely improve. This will strengthen our provision considerably.
