

Dear Parents/Carers

On **Tuesday 3rd December**, we will holding a parent's morning for our new PSHE scheme – **NO OUTSIDERS: We Belong Here**.

I will tell you all about the scheme, why it exists and why we are using it as well as sampling some of the texts that the scheme uses. As part of the morning, I will be reading one of the picture books and looking through a lesson plan so you fully understand what we are trying to achieve here at Burrough Green.

I am exceptionally excited about this curriculum development. It will enable us to further embed diversity and inclusivity across our curriculum and community.

The session will take around 30 minutes and I anticipate starting at 9am.

Some Teresa parents have already had the opportunity to see a NO OUTSIDERS lesson (after the class assembly) and the feedback was very positive.

All children at Burrough Green will be using the scheme so please come along and find out about it.

See you all in the school hall on the 3rd December at 9am!

Yours Sincerely
David Sandford
