

Dear Parents and Carers  
Hello again everyone. A very exciting week has passed us by.

### **Wandlebury and all things Iron Age**

On Wednesday, Miss Burton and I had the pleasure of taking Einstein Class to Wandlebury Country Park to immerse ourselves in all things Iron Age. The children had a great time and enjoyed bread making (they cooked and ate it), a walk around the old hill fort collecting stickers and weaving willow in the afternoon. We finished with a slingshot competition. Amazing fun. Our guide and tutor for the day, Vicky, was so knowledgeable and made the visit extra special. Trips like this really bring the children's learning to life and it is vital we get them out and about as much as possible. We have geography, RE and Computing trips in the pipeline – you will stay informed!

### **Einstein (again) singing trip.**

Yesterday, Mrs Chubb and Mrs Pizey took Einstein to a singing event. The children thoroughly enjoyed themselves and were all proud to represent their school. This is an event that this class always participates in. Singing is proven to be good for our mental health and wellbeing (see last week's newsletter)

### **New Parent's Morning**

It was an absolute pleasure to see so many prospective parents at our first New Parents Event. They had a presentation and sampled the delights of Bryan's kitchen, before being shown around the school and visiting Malala Class to see our children in action. All the adults that made this possible - the office staff, Bryan and of course Mrs Leadbeter – were amazing and really showed the parents how proud we all are of our school. Thank you to everyone.

### **Teresa Grandparents Lunch**

Running alongside Einstein's visit to Wandlebury was the Grandparent's lunch for Teresa Class. This was very well attended and the children loved the opportunity to dine with their grans, nans, nannas, grandpas and grandads. These events are so important in our quest to reach the whole of our community and there were plenty of kind and positive comments from our visitors.

### **Parents Evening**

If you haven't already booked your slot, please do so. The children have worked so hard this half term and it would be a pleasure for you all to view their work and see how they are doing.

### **Medicated Sweets/Throat Lozenges**

If you send your child in with these, they need to be logged at the office like all other medication. Children should not be responsible for these in school. Thank you for your support.

### **Speaking and Listening**

Here are two more of my 'conversation starters'. Research tells us that it is so important that we engage in meaningful conversations with our children. It helps them to grow as both speakers and listeners.

**1, What is the most precious thing you own?**

**2, How important do you think it is that we look after the planet better than we have been?**

These are just fun ideas for a discussion to have with your family or friends. The intention is to provide an opportunity for fun discussions as a family. Hope they are useful! I know some of you have used these and have had great fun with them. Enjoy!

That's all from me.

Have a great weekend, it promises to be quite warm!

Don't forget to use the "Easy Fundraising" and "My School Fund" when you are doing your shopping!

**Easyfundraising.org** – There are lots of retailers and service providers on the list, businesses you normally shop with anyway. Even if you log into your favourite retailer through the app half way through, it saves your basket, so you don't have to do anything different. Try it, it really does make a difference <https://www.easyfundraising.org.uk>

**My School Fund** - In association with Argos and Sainsbury's, we have a new way to fundraise for the school when you are shopping. Every time you make a purchase, both you and BG benefit with cashback. A flyer is attached to this email. Click on the link to register as an individual and link your account to the school.
