

Dear Parents and Carers

Hello again everyone. These newsletters seem to come around very quickly. Next week brings us Children In Need on the 17th – for me, it not only an important charity event, but also signifies the beginning of the festive season with many towns having their Christmas light switch-on the following week (or, like Newmarket, on the 17th!)

We were all sad to hear about Jordan Catchpole's illness this week that prevented him coming in to work with the children. Everyone at Burrough Green would like to wish him a speedy recovery so he can get back to training for those gold medals he is competing for in Paris next year. He promises to rearrange the event in the near future.

Website

Soon (maybe as early as December) we will be launching our new website and new curriculum. Staff have been working so, so hard to write curriculums for all subjects. Their work has been incredible and the children of Burrough Green will benefit hugely from this. The children are already accessing the new curriculum, but it needs to be complete before it can be released into the public domain. I would be delighted to speak to anyone about the content and the vision for this. I am excited!

Governors

Please find below key points from our last governor's meeting (6-11-23)

- Governors are delighted to see the increasing interest in the wraparound care provision the school now provides
- Governors are pleased to see the hard work that has gone into developing the new curriculum and are looking forward to seeing the impact of the changes
- Governors are thrilled to hear that the Rapid Improvement Group (RIG) is impressed with the steep improvement trajectory of the school and that they will no longer meet.
- Governors are happy with the new catering offering that pupils have the opportunity to enjoy every day
- Governors feel reassured by the results of the recent staff wellbeing survey
- Governors are delighted to welcome Rachel McDonnell to the governing body as our new Parent Governor

Parent Communication

Please, please tell us – either via email through the office, Class Dojo or Tapestry – if there have been any change in circumstance to your children. This may be simply telling us they have had Calpol (other children's medicines are available!), a bad night's sleep or that something else has happened that may affect them at school. It will help us to provide the best possible education and care for your child and strengthen the partnership between us all. Thank you.

Sport

I had the pleasure of taking 8 year 3 and 4 students to Linton Village College on Thursday to experience 5 Outdoor Adventurous Activities (OAA to the education world). All 8 of them were an absolute credit to the school – they displayed tenacity, resilience and teamwork in abundance. I was so proud of them all.

Finn, our after-school sports teacher (Thursdays only!), is drawing the crowds into the after-school club (Owls). There were 16 children here on Thursday – that's over 26% of our whole school. There is only one way to find out why it's becoming so popular! There is a link to the booking form below.

Don't forget to use the "Easy Fundraising" and "My School Fund" when you are doing your shopping!

Easyfundraising.org –There are lots of retailers and service providers on the list, businesses you normally shop with anyway. Even if you log into your favourite retailer through the app half way through, it saves your basket, so you don't have to do anything different. Try it, it really does make a difference <https://www.easyfundraising.org.uk>

My School Fund

In association with Argos and Sainsbury's, we have a new way to fundraise for the school when you are shopping. Every time you make a purchase, both you and BG benefit with cashback. A flyer is attached to this email. Click on the link to register as an individual and link your account to the school. <https://www.myschoolfund.org/#/>
