

**PRESCRIBED ALTERATIONS TO CREATE A SPECIAL EDUCATIONAL NEEDS AND DISABILITIES (SEND) PROVISION AT BURROUGH GREEN CofE PRIMARY ACADEMY, CAMBRIDGESHIRE, BY WAY OF AN ENHANCED RESOURCE BASE (ERB) UNIT FOR STUDENTS WITH AUTISM (ASD)**

**Enhanced Resource Base Unit for Autism at Burrough Green CofE Primary Academy proposal**  
**Introduction**

Cambridgeshire County Council intends to make prescribed alterations to Burrough Green CofE Primary Academy, Bradley Rd, Burrough Green, Cambridgeshire, CB8 9NH. This will take effect from September 2026. It is subject to completion of alteration works to existing accommodation.

**Background**

Burrough Green CofE Primary Academy has not yet received an Ofsted inspection since joining the ACT Multi Academy Trust as an academy. The main school has capacity and suitable available space to enable a provision to be established. It will be an Enhanced Resource Base (ERB) for students with an Education Health Care Plan (EHCP) and Autism Spectrum Disorder (ASD) as their primary need.

**The provision will offer 10 spaces for children with ASD.**

The Local Authority is implementing a county-wide Special Educational Needs and Disabilities (SEND) Strategy. It will address the deficit and demand on specialist support for children and young people with SEND and EHCP. They are looking to create new provisions and extend current provisions as required.

**Proposal**

It is proposed to make two distinct changes to the current school offer, these are:

- establishing a SEND provision at the ERB which will offer 10 places for students with an EHCP and ASD primary need
- changing the designation details of the school to reflect their SEND provision supporting ASD.

**Implementation Plan**

As part of Cambridgeshire County Council's decision-making process, a consultation on the proposed changes will run for a period of 4 weeks from Monday 19 January to Friday 13 February 2026. It will seek the views of all interested parties.

The Council will consider all comments received during the consultation period. It will then reach a decision on whether or not to proceed with the proposed changes to established offer. If the changes are agreed, it is proposed that it would come into effect from the September 2026. This is subject to completion of alteration works to existing accommodation.
